Gutes Spiel. Good card game. 10/10.. Gutes Spiel. Good card game. 10/10.. This game is a poor skat game, the AI is not fun to play as it never takes chances and only plays when it has only a 100% winning hand which takes away all the fun. You cant fast

---

play a turn, there is no option for that, you can only give up, but it does not really matter as I wrote above AI only plays when it gets the 100% winning hand. Graphics are poor for a 2018 steam game. Game speed could be faster. Music is poor too. I regret spending money on it.. This game is a poor skat game, the AI is not fun to play as it never takes chances and only plays when it has only a 100% winning hand which takes away all the fun. You cant fast play a turn, there is no option for that, you can only give up, but it does not really matter as I wrote above AI only plays when it gets the 100% winning hand.
